

Response Piece: Cause and Effect Collage

Media:

- One or more 12 x 18 inch sheets of white drawing paper
- Collage images of faces showing different moods
- Scissors, glue stick, and a black marker

Directive:

* Select pictures of faces showing various emotions. The pictures will be glued on the white paper with enough room around them for writing. Please write underneath the picture with emotion is being expressed. Also, write on the *left side* of each face what events have led up to the emotion pictured. On the *right side*, write what you predict will happen in the next few moments in response to the emotion depicted.
