## Response Piece: The Road Less Traveled

### Media:

- One sheet of 12 x 18 inch white drawing paper
- Watercolors and brushes
- Drawing media

### Directive:

- In this activity, you will be asked to respond to what you learned in the previous art experience
- Represent a road or create an abstract design, but add or change something in this picture that you learned from the previous image
- Examples include:
  - The addition of new construction or bridges
  - Elimination of a detour or toll booth
  - Pot holes that need to be filled

### Homework:

- Write a poem or paragraph entitled: "What I have learned along the road to recovery"
- Include what you have learned from the recovery process so far and assess the difficulties you will face in the future. Try to project and develop in writing the type of life you would like for the future.
