

## ROAD TO RECOVERY

### Media:

- \* One sheet of 12 x 18 inch white drawing paper
- \* Watercolors and brushes
- \* Drawing media if desired

### Directive:

- \* Paint or draw a road to recovery
- \* Predict what sort of road you will find and what obstacles remain in your way.
- \* Include such things as:
  - \* construction sites, road blocks, pot holes, detours, tolls, bridges, and any other obstacle or advantage you may imagine.
- \* Finally, indicate your location on the road
